

Quantum Shift™ for Business Entrepreneurs

Unleashing the Power of Entrepreneurs

Founded by KPMG Enterprise and the Richard Ivey School of Business and sponsored by The Globe and Mail and TD Commercial Banking.

THE GLOBE AND MAIL 

Commercial Banking

Only forty business entrepreneurs are accepted into Quantum Shift™ annually. Entrepreneurs are nominated by KPMG Enterprise, with final selection determined by the Institute for Entrepreneurship at Ivey. Those selected are awarded a subsidy from both Ivey and KPMG Enterprise, which offsets a significant portion of the program's cost.

"Quantum Shift™ is a program designed for Canada's best entrepreneurs. These are folks who had large degrees of success..."
